M PERFORMANCE PARTS

THE WORLD OF RACING AT A GLANCE.

BMW M Performance Parts offer everything for giving your customers' cars an even greater sporty and dynamic impact. The athletic character of every BMW is emphasised even further with the exclusive retro-fit components that harmonise perfectly with the design of the respective model. Aerodynamics, Chassis, Cockpit, Powertrain and Wheels & Tyres are all covered.

This product overview helps you support your customers in designing their truly individual BMW. It takes just one click to go from the table of contents to the BMW model you are looking for. That's what dynamic customer dialogue is all about! Why not get started right away?
