

ORIGINAL BMW ACCESSORIES. 18" M Performance Front and Rear Axle Sport Brake with Lightweight Sport Brake Disks, Perforated and Grooved.

NEWS:

- Product information revised

Product description

18" sport brake with 4-piston aluminium fixed calliper on the front axle and 2-piston aluminium fixed calliper on the rear axle, available in colour versions "M Performance red", "M Performance yellow" or "M Performance orange" including coloured M logo. Perforated and grooved, internally ventilated BMW lightweight sport brake disks with riveted aluminium pot measuring 370 x 30 mm (diameter x thickness) on the front axle and 345 x 24 mm on the rear axle.

Sales features / benefits

- **Improved** thermal capacity thanks to **larger**, internally ventilated lightweight sport brake disks.
- **Reduction** in the build-up of a film of water between the brake pad and the brake disk thanks to **countersinks** and grooves.
- **Lightweight**, therefore low unsprung masses.
- **Attractive** appearance.
- **Underlines** the sporty nature of the car, particularly with alloy wheels with an open wheel design.
- **Not** available as an option.

Additional parts required

- Rear axle brake disk, small Duo Servo 34 20 6 797 598 (order 2x)
- Rear axle brake disk, large Duo Servo 34 20 6 797 600 (order 2x)

18" M Performance Sport Brake
